FDA - Declaration

Product Reference:

DFRB - DFVB : MAFDEL DEL-FLEX Blue ROUND and V-BELTS

The above MAFDEL polyurethane belts will comply with the requirements of:

U.S. Food, Drug, and Cosmetic Act as amended under Food Additive Regulation. 177 2600.

177.2600 – Rubber Articles for repeated use. Certain TPU's could be used in producing sheets, films, or coatings for processing equipment that contacts dry, aqueous, or fatty foods, (e.g. meat conveyors, hose, etc.)

General Advice:

Please be informed that disinfectants containing active chlorine can cause degradation of Polyurethane belts. We advise against steam sterilization.

The above mentioned products should not undergo any ulterior modification, and should be used in proper and recommended conditions.
